

Spring Flowering Calendar

gardeningexpress
for everyone's garden

Our Spring Flowering Calendar is designed to help you plan a garden that bursts into life, week by week. Whether you dream of early snowdrops dancing through frosty mornings or a sea of tulips and alliums in late spring, this guide shows you when to expect your blooms. By planting a mix of bulbs in autumn, you can enjoy a seamless flow of colour, fragrance, and texture.

	JAN	FEB	MAR	APR	MAY	JUN
Snowdrop						
Iris						
Crocus						
Mini Daffodil						
Hyacinth						
Early Tulip						
Daffodil						
Muscari						
Alliums						
Late Tulip						
Camassia						
Fritillaria						

The flowering periods shown in this calendar are estimated averages for the UK and are intended as a helpful seasonal guide. Blooming times can vary slightly depending on your local climate, soil conditions, and planting depth.
